**Subject:** RE: Timeline estimation for Hopi Villages AOC?

Jeff,

It's difficult to say how long an AOC would take to negotiate and every case is different. Some AOCs are signed within several months and others can take up to 1-2 years. For example, the Hopi Cultural Center AOC was signed within about 6-8 months and this was for a non-transient, non-community system. We are encouraged FMCV is exploring all compliance options and we would ask you to continue to work with Lionel and Tim to possibly develop and enter into an MOU.

Robert,

Sure, I wanted to know what TimeFrame the Hopi Villages have in regards to negotiating an eventual AOC with EPA Enforcement. Basically, I would like a Time Frame estimation, we here at FMCV are investigating all potential avenues FMCV's PWS#09-0400106 may take in regards to remediating their Non-compliance status for MCL Arsenic Exceedance. I hope this clarifies my question. Thanks

Hillary,

Jeff Mansfield here, would you be able to give me a general timeline estimation FMCV has before an AOC is required? I inquired this question to Emmanuelle R. and she referred me to Enforcement. Thanks
